Indeed, will you have the S28 with you, we could do a hand-over then if it suits.

I am over at New King's Beam tomorrow for the ANPR Programme Board so expect to see you there.

Excellent news. Haven't had much of that round here lately.

When can we retrieve said document?

I am running around like a mad thing today on a job, and tomorrow, so may need to delegate the footwork on this but look forward to buying you a coffee to celebrate this step forward and perhaps have a few words about future issues. Hopefully that won't get either of us into trouble.

If you copy any advice re collection into <redacted> that would help as I won't be back at the yard for hours.

regards and thanks again,
