1. Tax year ending 5 April.

2. Companies have a period of several years after shares are issued to submit an EIS1 compliance statement, therefore data for 2011-12 is provisional and subject to change due to claims not yet received. Claims received for 2012-13 and 2013-14 are currently excluded. Small revision has been made to 2010-11.

3. The number of subscriptions is not equal to the number of investors as an individual can invest in more than one company.

4. The total is not given as companies may raise funds in more than one year.
