

JUDICIAL APPOINTMENTS AND CONDUCT OMBUDSMAN

BUSINESS PLAN

2013/2014

Introduction

The Ombudsman is independent of Government, the Ministry of Justice (MoJ) and the judiciary. The Ombudsman's Office is an Associated Office of the MoJ, but acts autonomously under the Ombudsman's direction. The Ombudsman and his Office supports the MoJ's Corporate Strategy to deliver a transformed justice system and a transformed department that is more efficient, more effective, less costly and more responsive to the public.

The Ombudsman provides an independent "second tier" complaint investigation function. By identifying and highlighting areas of concerns and redress, he aims to improve "first tier" complaint handling processes by the OJC, JAC, Tribunal Presidents and Magistrates Advisory Committees.

The strategic aim for the 4 year Spending Review period and the purpose as an independent Ombudsman, is to undertake independent investigations into complaints to ensure that the processes for applying for Judicial Appointment and for dealing with complaints about Judicial conduct are applied correctly and consistently. We aim to deliver an effective, responsive and professional service, in a timely, consistent and transparent manner. It will be a challenge to deliver our business in a time of significantly reduced resources across the public sector; as a result there is a need for us to accept a greater level of risk in what we do.
