INTRODUCTION
VOTE ON ACCOUNT 1981-82
(CLASS I: DEFENCE)

The Vote on Account of Defence Votes (Class I) is presented in terms of standard proportions of the amounts voted so far for the corresponding services in the year 1980-81 except where it is known that any particular amounts required will differ significantly from this standard provision.

The purpose of this Vote on Account is to allow existing services to continue pending Parliament's consideration of the 1981-82 Votes for these Services. By "existing services" is meant services for which Parliament has voted provision before 31st March 1981, but provision may also be made in respect of a service for which Parliament has passed specific legislation or in respect of a service for which specific legislation is at present before Parliament.
