Re: The Gas Act 1986 (Exemptions) (Revocations) Order 2013 Notice

In response to the consultation dated 11 November 2013 on the Gas Act 1986 (Exemptions) (Revocations) Order 2013 Notice, National Grid agrees with the proposed Order as it is considered that it will not have any impact on any National Grid group companies. However, we would like to note that there may be smaller organisations, such as those mentioned in schedule 3 of the Gas Act 1986 (Exemptions) (No.2) Order 1996 (no. 471) that may not recognise the significance of the expiry and/or revocation of the orders.

Yours faithfully
