Dear Sally,

Thank you for your letter of 28 June and for sharing GPE's full MAR Update and summary assessments. We appreciated the chance to review these documents and found them to be a very fair assessment of GPE's work and impact. In addition, they provide useful guidance for the GPE Secretariat to improve its performance in the months and years ahead.

The Global Partnership has benefitted greatly from the MAR process, which has given us an opportunity to examine critically our work and procedures. We look forward to continuing our close and productive collaboration with DFID.

Best Regards
