REDACTED

Please find attached a statement from Cuadrilla, containing some important news. I am very pleased to announce today that Centrica has joined us as a 25% investment partner in our Lancashire Bowland shale exploration licence area. The announcement represents a significant step forward in our ongoing exploration programme for natural gas contained in the shale rock beneath Lancashire, and I am delighted to be able to share it with you.

If you have any questions please feel free to call me on REDACTED

Best regards,
