# **Changes to Local Adult Re-offending – Statistical Notice**

February 2014

## **Changes to Local Adult Re-offending – statement by the Chief Statistician Mike Elkins**

The local adult re-offending measure published in this bulletin is currently used to assess Probation Trust performance through the probation trust rating system for 2013-14.

As a consequence of changes to the probation services, through the introduction of the Transforming Rehabilitation programme in 2014-15, the local adult re-offending measure will no longer be relevant for future reporting. Therefore we will publish the final bulletin in this series on the 20 of May 2014.

Mike Elkins  
Chief Statistician  
Ministry of Justice
