¹The figures provided were collected from the probation trusts via the HR Data Warehouse, which is subject to the expected level of inaccuracy inherent in any large-scale administrative system. The probation trusts have the ability to resubmit historical data which may result in occasional variations in subsequent reports. Please note the following issues relating to the data provided:

- 1) Derbyshire were unable to submit data to the HR Data Warehouse for February and March 2011 due to local technical issues.
- 2) Due to the nature of some accidents/incidents in FY 2010/11, West Mercia were unable to assign the appropriate severity levels and therefore these have been classed as 'not recorded' in the report.
- 3) Information on accidents/incidents at severity levels 5 and 6 in York & North Yorkshire is not provided in the report as they only provide information on severity levels 1 - 4 accidents/incidents.
