

**GOOD PRACTICE PROJECT: 'WHAT DOES GOOD LOOK LIKE?' –
FRAMEWORK**

Please complete a separate sheet for each example you are providing

Name of local authority/health body	
Area/Region	
Broad description of work (include the ways in which it is innovative and how it was developed and your learning from it) You can attach further documentation / details	
Which Indicator(s) does your example demonstrate and how (see 1 – 5 below) This can be more than one.	
In what way does this example show What Good Looks Like?	
Explain how this work maintains or improves outcomes or access to services	
How have the following been actively involved in the example? <ul style="list-style-type: none"> a) people with learning disabilities b) family carers c) advocates 	

Main contact details (name, position, email and phone) for further details or to arrange a visit.	
Are you content for the details of the example(s) provided to be published by DH?	

Indicators

- (1) Co-production** – involving people who use service in designing and planning them;
- (2) Community building** – and moving towards community based support;
- (3) A capabilities approach to disability** – looking at people's strengths and promoting what they can do;
- (4) Integrated services** – covering health, care, housing and leisure; and
- (5) Personalisation** - as a foundation on which other strategies build.

Can you please return the completed framework to:
goodpracticeproject@dh.gsi.gov.uk by noon 9 November 2012. Any queries about the project or this letter should be addressed to: **Pam Nixon, Learning Disability Policy Lead, Department of Health, pam.nixon@dh.gsi.gov.uk**
