CODE ALL THAT APPLY

1. Cavity walls
2. Solid or stone walls
3. Timber frame
4. Other

IF NECESSARY: Some people can see what type of walls they have by looking at the pattern of bricks on the outside of their house. Some bricks might be sideways on (not just around door and windows).

IF RESPONDENT CANNOT IDENTIFY FROM BRICK PATTERN

IF PRE-1930 AT B 4 READ OUT–Most properties built before 1930 have solid walls. Is that what you think this property has?

IF POST-1930 AT B 4 READ OUT– Most properties built in 1930 or later have cavity walls. Is that what you think this property has?

IF OTHER CODED AT B 4

[NEW SCREEN]

CHECK: Please only use 'Other' if you are sure that the respondent has an other wall type. If they do have walls made from other materials (e.g. flint, solid stone wall), probe to find out if there is a cavity between that wall and the inside of the property – if no, then code as solid walls.

If the brickwork has been rendered (covered with pebbledash or plaster coating, or otherwise clad) probe to find out whether the rendering is over a solid or cavity wall.

CHECK QUESTION

ARE YOU SURE THAT THE RESPONDENT'S WALLS  
ARE AN 'OTHER' CONSTRUCTION?

Yes – specify what wall is made of

No – route back to B 7

3. Don't know what to do
4. Don't know where to get information
5. Don't trust installers/suppliers to give me unbiased information
6. Confused/received conflicting information
7. Hassle/disruption of making improvements
8. May change character/appearance of my home
9. May lose space (e.g. room space, storage space in loft)
10. Structural considerations (e.g. shared walls, lease restrictions, planning permission needed, period features in home, live in conservation area)
11. No interest in energy efficiency/green issues
12. Lack of time
13. Other priorities at the moment (e.g. work, new baby)
14. Already doing enough
15. Landlord/freeholder won't allow
16. Won't stay here long enough
17. Other (specify)
18. None of these
19. Don't know

## D INTENTION TO INSTALL ENERGY SAVING HOME IMPROVEMENTS

ASK ALL  
SHOW CARD 13

- D 1 I am now going to read out some things that people might do to make their home more energy efficient. For each one, please tell me whether it has been done to this property, even if the decision was not made by you personally.

If necessary: Remember that I am not going to try to sell you anything. We are just interested in knowing what you have in your home.

[CODES 1-2 SHOULD ALWAYS BE THE FIRST TWO ASKED ABOUT – ROTATED WITHIN THE TWO. ROTATE SOLID WALL CODES IF ASKED]

- Loft insulation/ top up.
- An energy efficient boiler (condensing boiler) – either new or replacing an existing boiler with a more energy efficient one.

14. Friends/Family
15. Other (specify)
16. None of these
17. Don't know

ASK ALL: READ OUT AND SHOW THE SHOW CARD  
SHOW CARD 23 (colour)

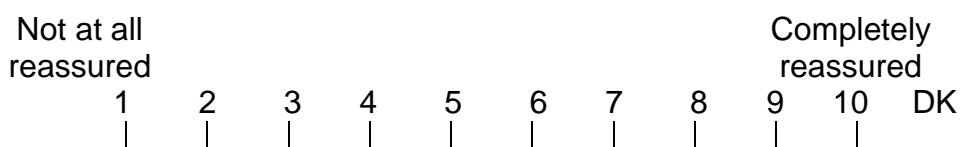

I'm now going to tell you about a new initiative called the Green Deal which helps you make energy-saving home improvements, like insulation, to make your home more comfortable.

- This scheme lets you pay for some or all of the improvements over time on your electricity bill.
- Repayments will be no more than what a typical household should save in energy costs.
- The actual savings costs will depend on how much energy you use and the future costs of energy.
- Authorised suppliers and installers can be identified by the Green Deal quality mark which looks like this

SHOW CARD 24

F 2 If you were to make energy saving home improvements using the Green Deal scheme, how reassured would you feel knowing that the supplier is authorised under the Green Deal Quality Mark?

Please give me an answer from 1-10, where 1 means you are not at all reassured, and 10 means you are completely reassured – or you may use any number in between.

**G****H RENEWABLE HEAT**ASK ALL
