[REDACTED]

Dear [REDACTED]

I am writing on behalf of British American Tobacco UK Limited, the company responsible for distributing British American Tobacco products within the United Kingdom and pursuant to Regulation 5 of the *Tobacco Products (Manufacture, Presentation and Sale) (Safety) Regulations, 2002*.

1. I refer to our letter dated 24th November 2011 in which we outlined that there would be a delay on certain SKU's due to us having to change the factory that we used to produce the stock to avoid an out of stock situation. Here is an update on the situation for your records:
 - a) We stated that the yield for Lucky Strike 10s Red was changing to 10/0.8/10. This has been the case since February 2012.
 - b) We also said in that letter that we would align the yields of Pall Mall Red KS 19s and Pall Mall Red King Size 10s in January 2012 and I can confirm that this is the case.
2. We also must inform you that "Vogue Perle Bronze" will be replaced with Vogue Perle Capsule and we anticipate that this will be in the market from July 2012 onwards. The yield declarations will change from 7/0.7/6 to 7/0.6/5. Please note that for testing that these are the yield declarations which apply when the cigarette's capsule has been clicked and the menthol released. (If the cigarette is left un-clicked the yields are lower.) If you require any further information on this please let me know.

Yours sincerely

Legal Counsel UK&I
British American Tobacco UK Limited
