REDACTION

To be honest this is taking longer than expected – not on our side

I am still pushing and will update you accordingly

Regards

Ken

Hi Ken,

We met with the Minister this morning and he was very keen to know when the MOU between UKOOG and Water UK might be finalised - the timing in terms of our publication of the SEA will be important, so I'd be grateful if you could let me know when is looking likely.

Many thanks,
