Ken

Thanks. You should have got my out of office yesterday that I was interviewing all day and when not catching up. I then had meetings till 7.

Yes fully aware. Let's talk today after the Ministerial meeting.

Regards

Duarte

Dear both

I expect you both are fully aware of this

I have spoken to REDACTION today and have contacted all members to see who is directly affected and what the implications are

UKOOG are not going to make any public statement on this

I would not be surprised this is not brought up tomorrow
