Hi REDACTION,,

I hope you are well.

I was wondering if you might have some time next week to touch base on our communications and stakeholder engagement activities?

It would be good to update on where we both are and activities moving forward.

Best wishes,

REDACTION

Hi REDACTION

REDACTION can't do that time, but I can, and I would very much like to learn about your plans. I could come to you or we might discuss over the phone.

Best wishes

REDACTION,

That would be really useful. We have a slot at 9am Wednesday morning that would be available for a teleconference call, but unfortunately the rest of REDACTION's week is back to back. I could do much of Thursday and Friday afternoon, but I'd like REDACTION to be there if possible.

Many thanks,

REDACTION,

Thank you very much for getting in touch.

It was very good to meet you and Duarte recently and it would be very useful to have further conversations around public engagement.

I have copied in REDACTION, who is leading much of Centrica's engagement and communications work.

I was wondering if you would have some time this week for REDACTION and I to call you and REDACTION to discuss our next phase of plans for engagement? We have a number of activities taking place and think it would be useful to discuss these in more depth.

Best wishes,

REDACTION

REDACTION, REDACTION

It was a pleasure to meet you on the 4th. I said I'd e-mail with my contact details.

Please may I also introduce REDACTION, the REDACTION of OUGO and the lead on REDACTION REDACTION in the REDACTION. He would welcome further conversations with you and Cuadrilla on your public engagement plans in Lancashire as they firm up.

My apologies for not e-mailing before. Please don't hesitate to get in contact.

Kind regards,

REDACTION
