Dear

FREEDOM OF INFORMATION ACT 2000

I refer to your e-mail of 19th May 2010 requesting details of all Motorcycle Test Centres in the UK under the terms of the Freedom of Information Act 2000.

Please find attached an Excel spreadsheet to the corresponding email. This contains details requested.

May I remind you that the Freedom of Information Act only provides members of the public with a right of access to information held by public authorities. This Act does not relate to the reuse of any information that it released and it should not be assumed that there is an automatic right to reuse. If the applicant plans to use the released information for any purpose, it is their responsibility to ensure that this use is in line with all relevant legislation.
