Ref: XXXX
Date: 10 October 2013

Dear John,

Thank you for your letter of 3rd July about the carbon implications of future investments in airport infrastructure.

The Commission is aware of the previous work of the Committee on Climate Change in this area, and grateful for the assistance your officials have been providing to ensure that the analysis we are developing can be reconciled with yours.

I look forward to discussing these issues with you in more detail when we meet on 15th October.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'Howard Davies'.

Sir Howard Davies, Chair
