### Long

Join the Reserve Forces and:

- learn new skills
- take on exciting new challenges
- get paid
- perform a vital role
- train and deploy alongside the regulars

### **Something for everyone**

Choose from hundreds of roles, from general to specialist. Some people choose a job based on their civilian skills whilst others train for a role that is completely different.

- Army Reserve (Territorial Army) roles [<http://www.army.mod.uk/rolefinder/>]
- Royal Air Force Reserves roles [<http://www.raf.mod.uk/rafreserves/rolesandsquadrons/rolefinder.cfm>]
- Royal Naval Reserve roles [<http://www.royalnavy.mod.uk/Careers/Role-finder>]

### **About the Reserve Forces**

A Reservist is someone who combines their civilian career with a paid job in the Armed Forces in their spare time.

- choose from hundreds of roles including specialist roles in IT, HR and medicine

- after your initial training, you will be expected to train with your unit for a minimum number of days each year and will also need time off if you are mobilised
- training takes place in the evening and on weekends plus 16 days continuous training
- you can apply if you're aged 18-43 for the Army Reserve (Territorial Army); 18-50 for the Royal Air Force Reserves or 16-40 for the Royal Naval Reserve. Age limits are higher for ex-regulars and some specialist roles

## **FAQs**

### **Join the Reserve Forces**

The Reserve Forces are recruiting now.

A Reservist is someone who combines their civilian career with a paid job in the Armed Forces in their spare time.

They train in the evenings and at weekends to provide the Armed Forces with additional people in times of conflict, tension or humanitarian need.

They meet the same fitness requirements, wear the same uniform and do much the same training as the regulars.
