

The Chancellor of the Exchequer, has met the following outside interest groups in the period 1 July to 30 September 2009. Some meetings falling within this period have not been disclosed, and are withheld under the FOI Act under section 35(1)(a) because in those instances the meetings were specifically on policy development, and it is not considered to be in the public interest to release that information at this time. Some meetings have also been withheld under section 29 (1)(a), as release of these meetings may prejudice the economic interests of the UK and it is not considered to be in the public interest to release that information at this time. In addition to these meetings the Chancellor has, in the course of his ministerial duties, also met with Members of Parliament, Peers, and Officials
