## Consultation questions

- Q1. Should there be a statutory Code? Yes
- Q2. Do you agree that the Code should be binding on all companies that own more than 500 pubs? If you think this is not the correct threshold, please suggest an alternative, with any supporting evidence. Yes – Threshold lower, say 50
- Q3. Do you agree that, for companies on which the Code is binding, all of that company's non-managed pubs should be covered by the Code? Yes
- Q4. How do you consider that franchises should be treated under the Code? Yes
- Q5. What is your assessment of the likely costs and benefits of these proposals on pubs and the pubs sector? Please include supporting evidence. No idea
- Q6. What are your views on the future of self-regulation within the industry? Self regulation is always fraught with dangers. I'm opposed to it.
- Q7. Do you agree that the Code should be based on the following two core and overarching principles? Strongly agree
- i. *Principle of Fair and Lawful Dealing*
  - ii. *Principle that the Tied Tenant Should be No Worse Off than the Free-of-tie Tenant*
- Q8. Do you agree that the Government should include the following provisions in the Statutory Code?
- i. *Provide the tenant the right to request an open market rent review if they have not had one in five years, if the pub company significantly increases drink prices or if an event occurs outside the tenant's control. Agree*
  - ii. *Increase transparency, in particular by requiring the pub company to produce parallel 'tied' and 'free-of-tie' rent assessments so that a tenant can ensure that they are no worse off. Agree*
  - iii. *Abolish the gaming machine tie and mandate that no products other than drinks may be tied. Agree*
  - iv. *Provide a 'guest beer' option in all tied pubs. Agree*
  - v. *Provide that flow monitoring equipment may not be used to determine whether a tenant is complying with purchasing obligations, or as evidence in enforcing such obligations. Do not agree*
- Q9. Are there any areas where you consider the draft Statutory Code (at Annex A) should be altered? Probably see Q11
- Q10. Do you agree that the Statutory Code should be periodically reviewed and, if appropriate amended, if there was evidence that showed that such amendments would deliver more effectively the two overarching principles? Yes
- Q11. Should the Government include a mandatory free-of-tie option in the Statutory Code? Yes

**Q12.** Other than (a) a mandatory free-of-tie option or (b) mandating that higher beer prices must be compensated for by lower rents, do you have any other suggestions as to how the Government could ensure that tied tenants were no worse off than free-of-tie tenants? Ensure points i) to iv) from Q8 are put into place

**Q13.** Should the Government appoint an independent Adjudicator to enforce the new Statutory Code? If it feels one is necessary, not sure I do

**Q14.** Do you agree that the Adjudicator should be able to: Yes, if there is one

*i. Arbitrate individual disputes?*

*ii. Carry out investigations into widespread breaches of the Code?*

**Q15.** Do you agree that the Adjudicator should be able to impose a range of sanctions on pub companies that have breached the Code, including: *Yes if there is one*

*I. Recommendations?*

*II. Requirements to publish information ('name and shame')*

*III. Financial penalties?*

**Q16.** Do you consider the Government's proposals for reporting and review of the Adjudicator are satisfactory? Probably

**Q17.** Do you agree that the Adjudicator should be funded by an industry levy, with companies who breach the Code more paying a proportionately greater share of the levy? What, in your view, would be the impact of the levy on pub companies, pub tenants, consumers and the overall industry? Yes. Should only impact the companies
