Subject: re. Free of tie option.

We have lost too many of our pubs over the past few years.....and this IS detrimental to our communities. The Pub is one of the hubs of our community bringing together neighbours and strangers who may turn into friends ...Thus we then have communities. Families make communities /make villages or towns and thus we then have a cohesive country. I heartily agree with fighting for the retention of our local pubs /free of ties . A country with no pubs would be soul less to an extent !. and I am not a drinker !. Regards Jackie.
