Subject RE: Hand-in this Friday

Hi [REDACTED],

Thanks for getting back to me so quickly. We completely understand your need for impartiality so it's not a problem at all that we can't take a picture with any members of your team. We will take a few pictures outside as you have suggested then drop it off at the reception. The box we are using to hand the petitions is a plain cigarette pack mock up; it is A3 on the front and back and 4 inches deep. It should be pretty light too. I hope this is OK.

See you tomorrow.

Best wishes,

[REDACTED]

Hi [REDACTED]

I tried to call to discuss but you'd just left for the evening.

Friday 13:15 is fine to hand in the petition.

In terms of photos, having now discussed with our facilities team and my managers, we are happy for you to take a picture of CR-UK dropping off the petition, outside the Department, at the time you drop it off. However, we are not content for any photo you take to include any members of the tobacco team or other DH staff. This is the same approach we have taken with FOREST, who delivered a similar petition this morning.

If you come to the main reception (Wellington House, 133-155 Waterloo Road, SE1 8UG) and ask for me, I would be happy to come down and sign for the delivery. Could I check whether there will be any large boxes though? If so, I may need to let our post room know and possibly send you round to a different entrance.

If any of this isn't clear, please feel free to give me a ring tomorrow.

Many thanks

Hi [REDACTED],

I hope you're well. This Friday we would like to hand the petition in to the Department of Health around 13:15. Is this time suitable for you? If so, please can you confirm whether there are any restrictions around taking pictures in/around the building? It would also be great if you could confirm the address and best entrance to use. If you have any questions for me, please don't hesitate to get in touch.

Thanks again,
