

Dear Sirs

I am instructed to respond to the consultation on behalf of Allhallows Parish Council in Cumbria.

My council objects to the removal of Parish/Town Council's and Cumbria County Council from the siting process leaving the Borough Council as the sole decision making body for residents of this parish.

The decision if allowed to continue as proposed will in effect be made by a single party 9 person Executive which is not Democratic and would leave the process fundamentally flawed.

Yours faithfully

Trevor Gear  
Clerk to Allhallows Parish Council
