Dear Linda

REVISED FUNDING 2013-2015

I am writing to inform you of a change to The Royal Parks' allocations for the financial years 2013-14 and 2014-15. This letter replaces any previous notifications.

Following the Budget announcement on 20th March 2013 a budget cut of 1.09% and 1.06% has been applied to your resource (near cash) baselines for 2013-14 and 2014-15 respectively. Ministers are clear that spending on frontline services should continue to be prioritised, and that you should actively identify and implement the most cost-effective ways of delivering public services. We have corresponded previously on the need to set and maintain contingency plans to help you cope with budgetary reductions within and between Spending Review periods.

The amended control totals against which net expenditure will be monitored and the grant in aid that the Department will pay are as set out in the table below. The control totals are shown in the shaded columns and incorporate any other changes that have previously been agreed with you.

Yours sincerely,
