Case Reference Number FS50502172

Further to our letter of 26 June 2013 I am writing to advise that this case has recently been allocated to me to review.

I note that you responded to us on 26 June 2013, please accept my apologies that this wasn't acknowledged. Our case management system automatically adds correspondence but it is not read until the case is allocated.

I have written to [REDACTED] explaining the position and that in this case, we are satisfied that the official receiver was acting solely in his statutory capacity and is not a "public authority" as defined by section 3 of the Act. The official receiver is not included in Schedule 1 of the Act and therefore does not come under the remit of the ICO.

[REDACTED] has accepted our position and the case will now be closed. This will not be logged as a FOIA complaint against the Insolvency Service.

Yours sincerely

[REDACTED]
Senior Case Officer
