Dear Sis,

Midwest Electrical services Ltd has been trading for 25 years in the public house refurbishment and maintenance markets. Any negative change in legislation towards British pub Cos could have a detrimental effect on our business in the form of loss of jobs and profit. Over the past 10 years Punch have proved to be considerable tenants ensuring electrical compliance for partners on a stringent 5 year rolling programme.

If you require further information please do not hesitate to contact me.

Regards,

Paul Lokucewicz  
Director
