Subject: BIS Proposal

Dear Mr Cable,

I write to you regarding the recent BIS proposal and the investigations surrounding the leased and tenanted business model for pubs.

As a proud employee of Enterprise Inns, the model we follow has many benefits for our Publicans. For example; we offer a low cost entry into running a pub business which makes the prospect of running your own pub business easier to attain and actively support our Publicans throughout their lease/tenancy. It has been expressed that Publicans pay more for their beer however our Publicans pay a lower rent for their business.

Ultimately Enterprise do not want to see pubs closing.

Please could you reply as to what actions will be taken by yourself to ensure that Pubs and Pubco's like ourselves are treated fairly.

Thank you.
