# Executive summary

As part of the Government's Red Tape Challenge systematically examining some 6,500 substantive regulations the Department of Health ran the Healthy Living & Social Care Red Tape Challenge theme, looking at 555 regulations across four areas: public health, quality of care & mental health, NHS and professional standards.

After careful consideration of the comments received through the Red Tape Challenge website and a rigorous internal challenge process, the Department of Health identified the regulations to be scrapped or improved..
