Importance: High

[REDACTED] – have a look at this – which is a sort of straw man for the day (8th June) which Justine Greening is broadly content with but which No10 haven't signed off on yet – although that doesn't mean they necessarily have different views. It'll give you a feel for how this is shaping up. Give me a call when you've digested if you want more clarification – and I'll see if I can help. Probably best not to circulate more widely for now.

Thanks [REDACTED].

Hi [REDACTED] – was really just hoping to touch base on preparations for the Hunger meeting and any further development of the key discussion issues (which, last time we spoke, was nutrition, mobilising resources to support delivery, New Alliance etc).

Many thanks,
[REDACTED].

Hi [REDACTED],

I am working on G8 for land transparency. [REDACTED] is leading on the June Hunger Summit.

Best wishes,

Department for International Development

Subject: G8 Food Agenda

Hi [redacted],

Am I right in thinking you said you led for DFID on G8 food issues? I was wondering how plans were coming along on the food/nutrition issues for the UK Presidency. I know there was a food event planned at some point in advance of the Summit. Do you have any further details? I understand our directors are speaking about G8 at the end of next week so I was hoping to be able to update him with the latest in advance of that.

Many thanks,

[redacted]
