Hi [REDACTED],

[REDACTED] from Dfid has provided us with his brief, do you still want to top and tail it before we fiddle with it?

[REDACTED]

Here are some lines related food security plans for 2013, hunger and New Alliance which may be useful for your SoS remarks. As I mentioned to [REDACTED] earlier, from our point of view it would be useful to flag our support for New Alliance and intention to drive forward progress under our G8 Presidency in 2013 but important to mention "...in partnership with AUC, African Governments, etc" as we are trying to build African ownership in 2013 and position it less as a G8 initiative.

Also included background on all this which may be useful. I am not in the office tomorrow so please contact [REDACTED] if you want to run any language past us or have any question (but [REDACTED] won't have time to provide further lines or rework stuff).

Thanks,

[REDACTED]

Hello [REDACTED],

Thanks for your quick response. If you could get something to us sooner, as we're waiting on your part of the brief to insert other angles to the final brief before we then write up our Secretary of State's speaking note.

Something sooner would be preferable, and I'm grateful for your efforts in pulling this together at such short notice.

Hello [REDACTED],

I hope the brief is going well and not causing you too much stress, when do you think it will be ready?

[REDACTED]

Thanks for this. Could you please send the draft communiqué as it was not attached.

I think slight misunderstanding on briefing: I said it might be useful to feed in some references to the New Alliance and UK food security plans for 2013 into your briefing and any speaking notes, if indeed your SoS is making any remarks. I could send some general lines which you could slot in as appropriate but useful if you could first provide some more info on what he is doing, ie any session he is making remarks at if any, etc

Best wishes,

Hello [REDACTED],

My name is [REDACTED] and I'm co-ordinating our Secretary of State's visit to Berlin on Saturday. You have kindly offered to provide us with a brief based on the draft communiqué. We were too late with our comments on the first draft and we've now received the second draft, which I have attached.

Can you have a look at then put something together please. The deadline is a tight one, as I don't have much time to pull this all together, so can you let me have your brief by 6pm tomorrow or 10am Thursday morning the latest.

I'm happy to discuss at any point
