without prejudice to the Community's exclusive competence in certain areas covered by that Convention and to the Community's membership of EUROCONTROL for the purpose of exercising such exclusive competence;

Whereas the purpose of the accession of the European Community to the Convention is to assist the European Organisation for the Safety of Air Navigation, hereinafter referred to as "EUROCONTROL", in achieving its objectives as set out in the Convention, notably that of being a single and efficient body for Air Traffic Management policy-making in Europe;

Whereas arrangements for greater co-operation over the use of Gibraltar airport were agreed in London on 2 December 1987 by the Kingdom of Spain and the United Kingdom in a joint declaration by the Ministers of Foreign Affairs of the two countries, and such arrangements have yet to come into operation;

HAVE AGREED AS FOLLOWS:

ARTICLE 1

The European Community, within the framework of its competence, accedes to the Convention on the terms and conditions laid down in this Protocol, in accordance with Article 40 of the Convention.

ARTICLE 2

For the European Community, within the framework of its competence, the Convention shall apply to en-route air navigation services and related approach and aerodrome services for air traffic in the Flight Information Regions of its Member States listed in Annex II to the Convention, which are within the limits of the territorial applicability of the Treaty establishing the European Community.

The application of this Protocol to the airport of Gibraltar is understood to be without prejudice to the respective legal positions of the Kingdom of Spain and the United Kingdom with regard to the dispute over sovereignty over the territory in which the airport is situated.

Application of this Protocol to Gibraltar airport shall be suspended until the arrangements in the Joint Declaration made by the Foreign Ministers of the Kingdom of Spain and the United Kingdom on 2 December 1987 have come into operation. The Governments of Spain and the United Kingdom will inform the other Contracting Parties to this Protocol of such date of entry into operation.

ARTICLE 3

Subject to the provisions of this Protocol, provisions in the Convention shall be so interpreted as to also include the European Community within the framework of Community competence, and the various terms used to designate the Contracting Parties to the Convention and their representatives are to be understood accordingly.

ARTICLE 4

The European Community will not contribute to the budget of EUROCONTROL.

ARTICLE 5

Without prejudice to the exercise of its voting rights under Article 6, the European Community shall be entitled to be represented and involved in the work of all bodies of EUROCONTROL in which any of its Member States is entitled to be represented as a Contracting Party, and where matters falling within its competence may be dealt with, with the exception of bodies which have an audit function.

In all bodies of EUROCONTROL where it may participate, the European Community will present its positions, within the framework of its competence, in accordance with its institutional rules.

The European Community may not submit candidates for membership of elected EUROCONTROL bodies, nor may it submit candidates for office on the bodies in which it is entitled to participate.

ARTICLE 6

1. For decisions in matters where the European Community has exclusive competence and for the purpose of the application of the rules provided for in Article 8 of the Convention, the European Community shall exercise the voting rights of its Member States under the Convention, and the votes and weighted votes so cast by the European Community shall be cumulated for the determination of the majorities provided for in the said Article 8 of the Convention. When the Community votes, its Member States shall not vote.

For the purpose of deciding on the number of Contracting Parties to the Convention required for a request for decision-making by a three-quarters majority, as stipulated at the end of the first sub-paragraph of Article 8.2, the Community shall be considered as representing its Member States, which are Members of EUROCONTROL.

A decision proposed with respect to a specific item to be voted on by the European Community shall be postponed if a Contracting Party to the Convention that is not a member of the European Community so requests. The postponement shall be used for consultations between the Contracting Parties to the Convention, assisted by the EUROCONTROL Agency, on the decision proposed. In the event of such a request, the taking of the decision may be postponed for a maximum period of six months.

2. For decisions in matters where the European Community has no exclusive competence, Member States of the European Community shall vote in accordance with their voting rights as provided for in Article 8 of the Convention, and the European Community shall not vote.

3. The European Community shall inform on a case-by-case basis the other Contracting Parties to the Convention of the cases where, with regard to the various items of the agendas of the General Assembly, the Council and other deliberating bodies to which the General Assembly and the Council have delegated powers, it will exercise the voting rights provided for in paragraph 1 above. This obligation shall also apply when decisions are taken by correspondence.

ARTICLE 7

The scope of the competence transferred to the Community is indicated in general terms in a written declaration made by the European Community at the time of the signature of this Protocol.

This declaration may be modified as appropriate by notification from the European Community to EUROCONTROL. It does not replace or in any way limit the matters that may be covered by the notifications of Community competence to be made prior to EUROCONTROL decision-making by means of formal voting or otherwise.

ARTICLE 8

Article 34 of the Convention shall apply to any dispute arising between two or more Contracting Parties to this Protocol or between one or more Contracting Parties to this Protocol and EUROCONTROL relating to the interpretation, application or performance of this Protocol, including its existence, validity and termination.

ARTICLE 9

1. This Protocol shall be opened for signature by all States signatories to the Protocol consolidating the EUROCONTROL International Convention relating to Co-operation for the Safety of Air Navigation of 13 December 1960, as variously amended, opened for signature on 27 June 1997, hereinafter referred to as “the Consolidating Protocol”, and the European Community.

It shall also be open, prior to the date of its entry into force, for signature by any State, duly authorised to sign the Consolidating Protocol, in accordance with Article II of that Protocol.

2. This Protocol shall be subject to ratification, acceptance or approval. The instruments of ratification, acceptance or approval shall be deposited with the Government of the Kingdom of Belgium.

3. This Protocol shall enter into force when it has been ratified, accepted or approved, on the one hand, by all signatory States that are also signatories to the Consolidating Protocol and whose ratification, acceptance or approval is required for the entry into force of the Consolidating Protocol, and on the other hand, by the European Community, on the first day of the second month after the deposit of the last instrument of ratification, acceptance or approval, provided that the Consolidating Protocol has come into force on that date. Where this condition is not met, it shall enter into force on the same date as the Consolidating Protocol.

4. This Protocol shall enter into force with respect to such signatories that have deposited their instruments of ratification, acceptance or approval after its entry into force on the first day of the second month following the deposit of the relevant instruments of ratification, acceptance or approval.

5. The Government of the Kingdom of Belgium shall notify the Governments of the other signatory States of this Protocol and the European Community of each signature, each deposit of an instrument of ratification, acceptance or approval and each date of entry into force of this Protocol pursuant to paragraphs 3 and 4 above.

ARTICLE 10

Each accession to the Convention after its entry into force shall represent also consent to be bound by this Protocol. The provisions of Articles 39 and 40 of the Convention shall also apply to this Protocol.

ARTICLE 11

1. This Protocol shall remain in force for an indefinite period.
2. If all EUROCONTROL Member States which are Members of the European Community withdraw from EUROCONTROL, notification of withdrawal from the Convention, as well as from this Protocol, shall be considered to have been given by the European Community together with the notification of withdrawal under Article 38.2 of the Convention of the last Member State of the European Community withdrawing from EUROCONTROL.

ARTICLE 12

The Government of the Kingdom of Belgium shall have this Protocol registered with the Secretary-General of the United Nations pursuant to Article 102 of the Charter of the United Nations and with the Council of the International Civil Aviation Organization pursuant to Article 83 of the Convention on International Civil Aviation signed in Chicago on 7 December 1944¹.
