18 December 2012

Dear Accounting Officer

### ACCOUNTS DIRECTIONS 2012-13

This letter gives most departments and pension schemes, agencies and trading funds the Treasury's statutory directions for the format and content of their resource accounts (as part of annual report and accounts), other accounts and trust statements for 2012-13. The accounts directions are annexed and the organisations to which they apply are listed in appendices.

#### Contact

2. Please address enquiries to Larry Pinkney in Government Financial Reporting (telephone 020 7270 4585; email: larry.pinkney@hmtreasury.gsi.gov.uk).

#### Application

3. This DAO letter applies to those government departments and pension schemes, agencies and trading funds listed in the appendices to the relevant accounts directions. There are separate arrangements for remaining government departments and some agencies and trading funds, as described in the notes to the respective accounts directions.

4. The statutory deadline for submitting resource and other accounts to the Comptroller and Auditor General is 30 November 2013. It is best practice for departments to aim to lay resource accounts and the accounts of agencies and trading funds in parliament by 30 June 2013 and by no later than the parliamentary summer recess, which is provisionally 18 July 2013. The timetable for preparing resource accounts and for providing information to the Treasury for the preparation of Whole of Government Accounts is set out in the concurrent DFD letter of December 2012 (MS FD (12) 23).

5. This DAO letter is effective immediately. The generic directions in DAO(GEN) 05/11 (20 December 2011) are now spent.

*Yours sincerely,  
Paula Diggle*

Paula Diggle  
Treasury Officer of Accounts

**ACCOUNTS DIRECTION GIVEN BY THE TREASURY IN ACCORDANCE WITH SECTION 5(2) OF THE GOVERNMENT RESOURCES AND ACCOUNTS ACT 2000**

1. This direction applies to those government departments and pension schemes listed in the attached appendix.

2. These departments and pension schemes shall prepare resource accounts for the year ended 31 March 2013 in compliance with the accounting principles and disclosure requirements of the edition of the Government Financial Reporting Manual issued by H M Treasury ("the FReM") which is in force for 2012-13.

3. If the Treasury has made an order for the year under section 4A(3) and (4) of the Government Resources and Accounts Act 2000, a department must detail the same information for each body designated in the Order under its name. This means that the department must also detail in its accounts the resources acquired, held or disposed of during the year by each of its designated bodies, and each such body's use of resources during the year.

4. The Treasury made the following designation order for financial year 2012-13: the Government Resources and Accounts Act 2000 (Estimates and Accounts) Order 2012 (S.I. 2012/717). The list of bodies designated in the Schedule to that Order will be amended by the Government Resources and Accounts Act 2000 (Estimates and Accounts) (Amendment) Order 2012 (S.I. number not yet available – due to be laid week commencing 17 December). The amendment will designate some additional bodies and remove some bodies from the list.

5. The accounts of Government departments, with the details outlined above (for itself and its designated bodies) shall be prepared so as to:

(a) give a true and fair view of the state of affairs at 31 March 2013 and of the net resource outturn, the application of resources, changes in taxpayers' equity and cash flows for the financial year then ended;

(b) provide disclosure of any material expenditure or income that has not been applied to the purposes intended by Parliament or material transactions that have not conformed to the authorities which govern them.

6. The accounts for pension schemes shall be prepared so as to:

(a) give a true and fair view of the state of affairs at 31 March 2013 and of the net resource outturn, changes in taxpayers' equity and cash flows for the financial year then ended;

(b) provide disclosure of any material expenditure or income that has not been applied to the purposes intended by Parliament or material transactions that have not conformed to the authorities which govern them; and

(c) demonstrate that the contributions payable to the Scheme during the year have been paid in accordance with the Scheme rules and the recommendations of the Actuary.

7. Compliance with the requirements of the FReM will, in all but exceptional circumstances, be necessary for the accounts to give a true and fair view. If, in these exceptional circumstances, compliance with the requirements of the FReM is inconsistent with the requirement to give a true and fair view, the requirements of the FReM should be departed from only to the extent necessary to give a true and fair view. In such cases, informed and unbiased judgement should be used to devise an appropriate alternative treatment which should be consistent with both the economic characteristics of the circumstances concerned and the spirit of the FReM. Any material departure from the FReM should be discussed in the first instance with HM Treasury.

**ACCOUNTS DIRECTION GIVEN BY HM TREASURY IN ACCORDANCE WITH SECTION 4(6)(a) OF THE GOVERNMENT TRADING FUNDS ACT 1973.**

1. This direction applies to those Trading Funds listed in the appendix 2.
2. The Trading Fund shall prepare a Trust Statement ("the Statement") for the financial year ended 31 March 2013 for the revenue and other income, as directed by the Treasury, collected by the Trading Fund as an agent for others, in compliance with the accounting principles and disclosure requirements of the edition of the Government Financial Reporting Manual by HM Treasury ("FReM") which is in force for 2012-13.
3. The Statement shall be prepared, as prescribed in appendix 1, so as to give a true and fair view of (a) the state of affairs relating to the collection and allocation of taxes, licence fees, fines and penalties and other income by the Trading Fund as agent and of the expenses incurred in the collection of those taxes, licence fees, fines and penalties insofar as they can properly be met from that revenue and other income; (b) the revenue and expenditure; and (c) the cash flows for the year then ended.
4. The statement shall also be prepared so as to provide disclosure of any material expenditure or income that has not been applied to the purposes intended by Parliament or material transactions that have not conformed to the authorities which govern them.
5. When preparing the Statement, the Trading Fund shall comply with the guidance given in the FReM (Chapter 13). The Trading Fund shall also agree with HM Treasury the format of the Principal Accounting Officer's Foreword to the Statement, and the supporting notes, and the accounting policies to be adopted, particularly in relation to revenue recognition. Regard shall also be given to all relevant accounting and disclosure requirements in Managing Public Money and other guidance issued by HM Treasury, and to the principles underlying International Financial Reporting Standards.
6. Compliance with the requirements of the FReM will, in all but exceptional circumstances, be necessary for the accounts to give a true and fair view. If, in these exceptional circumstances, compliance with the requirements of the FReM is inconsistent with the requirement to give a true and fair view, the requirements of the FReM should be departed from only to the extent necessary to give a true and fair view. In such cases, informed and unbiased judgement should be used to devise an appropriate alternative treatment which should be consistent with both the economic characteristics of the circumstances concerned and the spirit of the FReM. Any material departure from the FReM should be discussed in the first instance with HM Treasury.
7. The Statement shall be transmitted to the Comptroller and Auditor General for the purpose of his examination and report by a date agreed with the Comptroller and Auditor General and HM Treasury to enable compliance with the administrative deadline for laying the audited accounts before Parliament before the Summer Recess.

8. The Trust Statement, together with this direction (but with the exception of the related appendices) and the Report produced by the Comptroller and Auditor General, under section 4(6)(a) of the Government Trading Funds Act 1973 shall be laid before Parliament at the same time as the Trading Fund's Accounts for the year unless the Treasury have agreed that the Trust Statement may be laid at a later date.
