

Home Office Statement of New Regulation - Seven

The following table lists Home Office regulation affecting the private and voluntary sector due to be implemented July to December 2013

Unique IA Reference Number	Title of the Measure	Purpose of the Measure [To...]	Date the measure is due to come into force	Equivalent Annual Net Cost to Business (£m, 2009)	Impact Assessment Link
INs					
N/A	Merging the 'registered' and 'exempt' categories of organisations that are regulated by the Office of the Immigration Services Commissioner (OISC)	To merge the registered and exempt categories of regulated organisations into one regulated category. This will enable the Government to retain control of the decision over which organisation should pay registration fees, to simplify the regime and to address a set of issues in the Commissioner's enforcement powers.	06 April 2014	0.01	
OUTs					
N/A	Simplifying the civil penalties to prevent illegal working	To simplify the scheme to reduce the administrative burden on compliant employers. Reform of the regime to more effectively deal with illegal working.	06 April 2014	-1.10
