Luton
Bedfordshire
LU3 3AN

Authorisation is hereby given by the Secretary of State for Innovation, Universities and Skills for the following Certificate of approval relating to a pattern of a liquid measuring instrument (cold water) to be amended as described below.

2255

This Approval is extended to include the addition of the following authorised alternative:

4.19 V200 and V210 Alternative dial and shroud markings for both magnet and inductive registers (Figure 16).

4.19.1 As described in the Certificate but having the dial face markings removed from both the magnet and the inductive registers and applied instead to the shroud. All leak detectors and tell tales are black. This also facilitates a change to the Elster logo (Figure 17).
