Dear Mr Clark,

Thank you for your clarification.

You are right about the FOI request being limited to a certain period, and your emails of today are outside of that request. I misunderstood that when you asked for "completeness", you were suggesting that you would like your response to my June letters included in the bundle of documents we send to the FOI applicant.

I can confirm that only the following documents that will be released under this FOI request:

- My letter to you dated 14 June 2012
- My letter to you dated 20 June 2012
- Your email to the Secretary of State for Health's Diary Manager of 12 July 2012
- My three emails to you of 16 July 2012 (including the attachments to those emails)
- Your email to me of 16 July 2012

Regards,

Tobacco Programme Manager  
Department of Health
