

**SUGGESTED PERSONAL HURRICANE SUPPLIES (at your homes)**

A severe hurricane could close shops and cut off basic utilities for around two weeks.

You should therefore prepare ahead of the hurricane season and have a store of essential items at your home to last approximately 14 days. Avoid salty foods & ensure you have storage for sufficient water. Some suggestions are listed, but not limited to:

<b>Item</b>	<b>Quantity</b>	<b>Comment</b>
Drinking Water	1/2 gallon at least per person per day	Other water will be required for sanitary use. Fill storage tank & receptacles.
Canned Foods & Baby Supplies	Stores for 14 days	Milk, sardines, tuna, corned beef, fruit, peanut butter etc. Manual can opener. Food, formula, nappies etc
Dry Goods	Stores for 14 days	Biscuits, granola bars, cereal, nuts, fruit, packet juice mixes, drink crystals etc.
First Aid Kit	Stores for 14 days	Inc. sunscreen & mosquito repellent
Medication	As needed	Obtain extra prescription if required
Pet Provisions	As needed	Dry chow, tinned products
Radio & Car charger	1 per household	Wind up or battery operated
Torches	1 per person	Extra batteries
Candles	Stores for 14 days	Matches
Stove	1 per family	Gas BBQ, or camping stove etc and fuel
Cooler /Gel Packs	1 or 2	Stock with ice prior to the storm
Basic Tool Kit	1 per household	Keep a stock of nails & cable ties
Duct Tape	2-3 rolls	For after storm damage
Tarpaulin	2-3	For after storm damage
Sanitary Products Including nappy sacks	Stores for 14 days	Bleach, garbage bags, disinfectant, insect spray, mosquito coils
Fuel	Fill tank	Store extra in safe / protected area
Personal Generator	1 per household	Portable domestic generators are highly recommended.
Games/Art Supplies	As needed	Activities to keep children entertained during hurricane activity

UNCLASSIFIED

**HURRICANE GRAB BAGS (to take with you to a shelter)**

If you move to a hurricane shelter during a storm, you will be required to take a number of items with you. It is advisable to have these items prepared in advance and packed up suitably, so they can be located and taken easily.

**NB:** It is imperative that you have a good supply of any personal medication required.

<b>Item</b>	<b>Quantity</b>	<b>Comment</b>
