List of figures

Figure 1.1	In what situations does your LA currently award a DHP?.....	3
Figure 1.2	What are the three most common reasons for currently awarding a DHP in your LA?	5
Figure 1.3	Thinking now about how your LA’s use of DHPs has changed, if at all, since the new regulations in April 2011. Firstly, since the new regulations has your LA been more likely to use DHPs for any of the following groups of claimants?.....	6
Figure 1.4	Would you say that since the new regulations in April 2011 the number of DHPs awarded for periods of three months or less has increased, decreased or stayed the same?.....	7
Figure 1.5	Would you say that since the new regulations in April 2011 your LA has been more or less likely to use DHPs for existing tenants (ie, those who had been tenants prior to April 2011 and were not affected by the new LHA regulations) or has there been no change?.....	8
Figure 1.6	In January 2012, the LHA regulations in shared accommodation will change, so that all persons under 35 will only be eligible for the shared accommodation rate. Has your LA already reviewed, or does your LA intend to review, your DHP allocation criteria in anticipation of these changes to LHA regulations happening in January 2012?.....	9
Figure 1.7	What changes has your LA made, or does your LA intend to make, to your DHP allocation criteria in anticipation of the LHA changes to the shared accommodation rates for under 35s happening in January 2012?.....	10
Figure 1.8	Does your LA expect to spend/commit your full DHP allocation in this financial year or not?	11
Figure 2.1	What work, if any, is your LA doing to alert current claimants of the upcoming changes to LHA?	14
Figure 2.2	Would you say that since the new regulations in April 2011 the overall level of need for advice from your LA’s HB Advisers has increased, decreased or stayed the same?	16
Figure 2.3	Would you say that since the new regulations in April 2011 the level of need by LHA tenants for advice from your LA’s HB Advisers has increased, decreased or stayed the same?	16
Figure 2.4	Would you say that since the new regulations in April 2011 the level of need by LHA tenants from outside your LA for advice from your LA’s HB Advisers has increased, decreased or stayed the same?	17
Figure 2.5	Would you say that since the new regulations in April 2011 the demand for your LA to be involved in negotiations with landlords and LHA tenants over rent amounts has increased, decreased or stayed the same?	18

Figure 2.6	In general, would you say that since the new regulations in April 2011 your LA’s HB Advisers have been able to offer the same level of service (i.e. claim times, processing etc.) to tenants or have they had to cut back any of their services?	18
Figure 3.1	Have the new April 2011 regulations caused landlords to leave the HB sub-market in your area, i.e. have any stopped renting to HB claimants, or not, compared with 12 months ago?	22
Figure 3.2	Would you say that since the new regulations in April 2011 the number of landlords in your area who are letting properties as shared housing/HMO that were previously let to families or as self-contained accommodation has increased, decreased or has there been no change	23
Figure 3.3	Would you say that since the new regulations in April 2011 the number of people who would normally be housed in the private rented sector presenting to your LA as homeless has increased, decreased or stayed the same?	24
Figure 3.4	What are the three main reasons for homelessness in your LA amongst those who would normally be housed in the private rented sector?.....	25
Figure 3.5	In your opinion, since the new regulations in April 2011 has the number of claimants moving into your LA area increased, decreased or stayed the same?.....	26
Figure 3.6	Thinking about the claimants that have moved into your LA area since the new regulations in April 2011, from where have these claimants moved?	27
Figure 3.7	How would you describe the types of households that have moved into your LA area since the new regulations in April 2011?	28
Figure 3.8	Would you say that since the new regulations in April 2011 the number of claimants moving out of your LA area has increased, decreased or stayed the same?	29
Figure 3.9	Would you say that since the new regulations in April 2011 the number of claimants moving within your LA area (i.e. moving from one property to another but staying in your LA area) has increased, decreased or stayed the same?	31
Figure 3.10	How would you describe the types of households that have moved within your LA area? Please tick the most common types of households, up to a maximum of three.....	32
Figure 3.11	Would you say that since the new regulations in April 2011 the number of people moving within a single BMRA in order to find cheaper accommodation has increased, decreased or stayed the same?	33

Figure 3.12	Would you say that since the new regulations in April 2011 the number of claimants moving to smaller properties/downsizing has increased, decreased or stayed the same?.....	34
Figure 4.1	Would you say that since the new regulations in April 2011 requests for direct payments by landlords on grounds of arrears has increased, decreased or stayed the same?	36
Figure 4.2	Would you say that since the new regulations in April 2011 requests by landlords for direct payments on grounds of claimants being unlikely to pay has increased, decreased or stayed the same?	37
Figure 4.3	Since the new regulations in April 2011 has your LA made use of the new safeguard that allows LHA to be paid direct to the landlord in order to help claimants secure or maintain a tenancy provided the landlord reduces the rent?	38
Figure 5.1	Has your LA seen any cases where a claimant has been moved from Incapacity Benefit to the Employment and Support Allowance and there has been a broken claim and a move to the new LHA rules?.....	39
Figure 5.2	Thinking back to before April 2011, did your LA have any claimants who broke their HB claim for a week then reclaimed prior to the end of March in order to maximise their transitional protection?	40
Figure 6.1	Which of the following types of property does your LA hold or has access to for use as temporary accommodation?.....	43
Figure 6.2	How many self-contained units of PSL and LA licensed accommodation does your LA currently hold an interest in?.....	44
Figure 6.3	Approximately what percentage of households living in self-contained (PSL and LA licensed) temporary accommodation contain at least one member of the household in full or part-time employment? Please provide an estimate if necessary.....	45
Figure 6.4	How many non-self-contained temporary accommodation units (PSL and LA licensed only) does your LA currently hold an interest in?	48
Figure 6.5	How many self-contained units of Housing Association leased or Housing Association licensed accommodation does your LA currently hold an interest in?.....	50
Figure 6.6	Approximately, what percentage of households living in self-contained Housing Association leased or Housing Association licensed properties contain at least one member of the household in full or part-time employment?.....	51
Figure 6.7	How many non-self-contained temporary accommodation units (Housing Association leased and Housing Association licensed only) does your LA currently hold an interest in?.....	54

Acknowledgements

This report is based on research commissioned by the Department for Work and Pensions (DWP).

GfK NOP would like to thank Andy Brittan, Zoe Uren, Rachel Tsang and their colleagues at the DWP for the advice and support given during the research and in the drafting of this report. We would also like to thank all the Local Authority officers who spared the time to take part in the survey.

The views expressed in this report are not necessarily those of the Department or any other Government Department.

The Authors

Claire Durrant has been jointly responsible for managing the Local Authority (LA) Insight Survey with her colleague Elaine Winter since Wave 6 in 2001. She joined GfK NOP in 1996, having previously worked for MORI, where she worked for seven years in the Social Research Unit, and before that, the Gallup Organisation. At GfK NOP she has worked on a wide variety of studies for central government, as well as local authorities and academics. This includes the British Household Panel Study and the Home On-Line Study, both run by the Institute for Social and Economic Research (ISER), based at the University of Essex, as well as other studies for the Department for Work and Pensions, including the Maternity Rights and Benefits Survey among employers and parents. She has also co-managed projects for Jobcentre Plus in recent years.

Elaine Winter joined NOP as a graduate trainee in 1988, having gained a degree in Geography from the University of Newcastle-upon-Tyne. She has worked on a wide variety of studies, but has specialised in managing longitudinal and employment/benefit policy surveys. Her experience includes managing a seven-year cohort study of the effects of benefit policy change on lone parents for the Policy Studies Institute (PSI) and a panel survey with the unemployed and those on low incomes researching the introduction of the Earnings-Top-Up benefit, also for PSI. In addition to these surveys, Elaine works regularly for local government clients and co-managed projects for Jobcentre Plus.

Elaine and Claire were assisted with the management of the LA Insight Survey by their colleague, Darren Yaxley.

Darren Yaxley (Research Manager) joined GfK NOP in 2004 from the National Centre for Social Research having graduated from The University of Birmingham with a BA (with honours) in Political Science in July 2003. Since joining GfK NOP's Social Research team, Darren has worked extensively for various public sector organisations, including both central and local government clients, using a variety of data collection methods. Darren has worked on 12 waves of the LA Insight since joining. Darren is a full member the Market Research Society (MRS) and a member of the Social Research Association (SRA).
