

# Save Deliver Transform

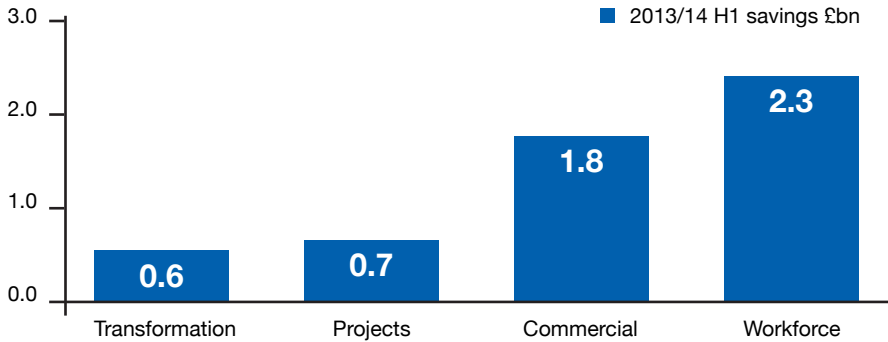

ERG

Cabinet Office

H1 2013/14

# £5.4bn savings made in H1 2013/14\*

**73%** Increase from £3.1bn of savings announced for H1 2012/13

**£5.4bn** Equivalent to £320 for every working household\*\*

\*These unaudited savings arise from activity since May 2010 and are generally calculated against a 2009/10 baseline. For further information on technical methodologies underpinning the ERG savings, please visit [www.gov.uk/government/publications/government-savings-in-2013-to-2014](http://www.gov.uk/government/publications/government-savings-in-2013-to-2014)

\*\*Illustrative example of saving distributed amongst total number of working and mixed households in the UK.
