Dear [REDACTED]

Re: Freedom of Information Act request to the Department of Health

I write in response to your letter to Alison Cooper dated 24 August regarding a Freedom of Information Act request received by the Department of Health (DH), concerning correspondence between the DH and Imperial Tobacco. We can see no reason, and are not aware of an applicable exemption, which should prevent DH from responding to the request by disclosing the four letters that you list in your letter.

Yours sincerely

Head of Political Affairs UK
