Freedom of Information Act 2000 Request

You asked for the following information from the Treasury Solicitor's Department ("the Department"):

Harry Fox died on the 27-07-2001 in Cheltenham, Gloucestershire.

His date of birth recorded on the death certificate is 04-Feb-1910, Can you explain why it says the 04-Apr-1910 on the TSOL List?

Is this a mistake by yourselves or perhaps you have a different date and place of birth?

Your request will be dealt with by the Bona Vacantia Division ("the Division") under the Freedom of Information Act 2000.

The Division holds all the information that you have requested.

The information that the Division holds suggests that the date of birth on the death certificate is correct and that it has been misrecorded on the list of unclaimed estates. This has now been corrected.
