

Annex D: Section 9 Impact Assessment for Jupiter Community Free School

We have looked at primary schools within a one mile radius from the permanent site of Jupiter Community Free School (8). We have concluded that the impact this school will have on others school will be minimal and short lived.

School name	School type	Capacity	KS2 2013 (% achieving level 4 or above in Reading, Writing, Mathematics)	Ofsted grade	Impact rating
Yewtree Primary School	Community School (3-11)	327	35% - Well below average.	Requires Improvement	Minimal – this school is 0.2 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils to the free school should be mitigated by the increased demand and high basic need in the area. This will further mitigate any potential impact the free school will have on this school.
Hammond Academy	Academy Converter (5-11)	240	96% - Well above average.	Outstanding	Minimal – this school is 0.3 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils is unlikely to affect the long term viability of the school in the context of its current Ofsted grading. The latest unverified data provided by Hertfordshire County Council suggests there is no surplus of places at this school.
Hobletts Manor Junior School	Community School (7-11)	240	78% - Above average	Good	Minimal – this school is 0.5 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils is unlikely to affect the long term viability of the school in the context of its current Ofsted grading and high basic need in the area. The latest unverified data provided by

					Hertfordshire County Council suggests there is no surplus of places at this school.
Hobletts Manor Infants' School	Community School (3-7)	180	No KS2 data	Outstanding	Minimal – this school is 0.5 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils is unlikely to affect the long term viability of the school in the context of its current Ofsted grading and high basic need in the area. The latest unverified data provided by Hertfordshire County Council suggests there is no surplus of places at this school.
Aycliffe Drive Primary School	Community School (3-11)	315	91% - Well above average	Good	Minimal – this school is 0.5 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils is unlikely to affect the long term viability of the school in the context of its current Ofsted grading and high basic need in the area. The latest unverified data provided by Hertfordshire County Council suggests there is no surplus of places at this school.
George Street Primary School	Community School (3-11)	210	78% - Above average	Good	Minimal – this school is 0.6 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils is unlikely to affect the long term viability of the school in the context of its current Ofsted grading and high basic need in the area. The latest unverified data provided by Hertfordshire County Council suggests there is no surplus of places at this school.
Maple Grove Primary School	Community School (3-11)	210	81% - Above average.	Satisfactory	Minimal – this school is 0.7 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils is unlikely to affect the long term viability of the school in the context of its current Ofsted grading and high basic need in the area.

Broadfield Primary School	Community School (3-11)	420	48% - Well below average.	Satisfactory	Minimal – this school is 0.8 miles away from the free school. The verified data suggests there is a surplus of places at this school and any loss of pupils is unlikely to affect the long term viability of the school in the context of its current Ofsted grading and high basic need in the area.
