Title: Number of UK Registered Trademarks and Patents

Date of release: 26 April 2013

Information request

Can you please tell me how many 'live' registered Trademarks and Patents exist in the UK currently.

Information released

In response to your information request of 18 April 2013, there are 466,030 trade marks currently registered (correct to 28 March 2013) and 119,939 GB patents currently in force (25 April 2013).

These figures do not include GB designations of International marks or European trade marks that are also valid within the UK, nor patents filed at the European Patent Office.
