

Impact Assessment for Perry Beeches IV

Table 1: Impact of free school on local secondary schools

School name	Distance from free school (miles)	School type	Capacity	Attainment in 2012/13	Ofsted grade	Impact rating
Perry Beeches II The Free School	0.3	Free school Not a faith school Mixed 11-18 age range	<u>Overall</u> 620 places <u>At entry point</u> 100 places No unfilled places at entry point	No attainment data - opened in 2012	Not yet inspected - opened in 2012	Too early to assess – The proposer group is the same as Perry Beeches IV. As all Perry Beeches schools are oversubscribed the impact is likely to be minimal.
St Albans Academy	1.8	Academy sponsor led Church of England faith Mixed 11-19 age range	<u>Overall</u> 800 places Overall surplus of 357 places (44.6% of total school capacity) <u>At entry point</u>	Below NA 54% 5A*-C including English and maths	Outstanding Date of most recent Ofsted: 13/10/2011	Moderate - The attainment is below national average, but for the school's pupil intake the results are good. There is a surplus of school places of 45% but this may reflect that the overall capacity has recently been increased due to moving into a new building and places have yet to be filled. The school is 1.8 miles away from the proposed free

			87 places No unfilled places at entry point			school site which is over the average travelling distance of 1.5 miles. The free school may affect the long term financial viability of the school, although this is the only state funded Church of England school in Birmingham therefore the offer may be more likely to attract parents wanting a Christian faith designated provision.
Birmingham Ormiston Academy 14-19	1.2	Academy sponsor led Not a faith school Mixed 14-19 age range	<u>Overall</u> 325 places Overall surplus of 86 places (26.5% of total school capacity) <u>At entry point</u> 150 places 22 entry level places unfilled in 2012/13	No attainment data - opened in 2011	Good Date of most recent Ofsted: 22/05/2013	Moderate – The school was undersubscribed for entry in 2012/13 and has a surplus of places of 26%. The school is 1.2 miles away from the proposed free school site which is within the average travelling distance of 1.5 miles. The free school may affect the long term financial viability of the school.
St Paul's School for Girls		Voluntary aided school	<u>Overall</u> 906 places	Below NA 57% 5 A*-C	Good Date of	Minimal – St Paul's has no surplus places and is more likely than PBIV to attract parents looking for a Roman

	1.2	Roman Catholic faith Girls 11-18 age range	No surplus places <u>At entry point</u> 165 places 1 entry level place unfilled in 2012/13	including English and maths	most recent Ofsted: 10/05/2013	Catholic education for their daughters, therefore the free school is unlikely to affect the long term viability of the school.
Aston University Engineering Academy	1.3	UTC no faith Mixed 14-19 age range	No capacity data - opened in 2012	No attainment data - opened in 2012	Not yet inspected - opened in 2012	Unknown – capacity and attainment data is not available. The UTC does not provide for pupils in key stage three.
Nishkam High School	0.8	Free school Multi- faith Mixed 11-19 age range	No capacity data - opened in 2012	No attainment data - opened in 2012	Not yet inspected - opened in 2012	Too early to assess – Nishkam is a Sikh ethos school and is more likely to appeal to a different group of parents than PBIV, therefore the impact is likely to be minimal.
Heartlands Academy	1.7	Academy sponsor led Not a faith school	<u>Overall</u> 950 places Overall surplus of 201	Below NA 57% 5A*-C including English and	Outstanding Date of most recent Ofsted:	Minimal – The school currently has no unfilled places at Y7 and is rated outstanding therefore PBIV is unlikely to affect the long term viability of the school.

		Mixed 11-18 age range	places (21.2% of total school capacity) <u>At entry point</u> 150 places No unfilled places at entry point	maths	26/01/2012	
Aston Manor Academy	1.3	Academy Converter Not a faith school Mixed 11-18 age range	<u>Overall</u> 752 places No surplus places <u>At entry point</u> 150 places No unfilled places at entry point	Above NA 64% 5A*-C including English and maths	Good Date of most recent Ofsted: 27/02/2013	Minimal – The school has no unfilled places therefore PBIV is unlikely to affect the long term viability of the school.
Holte School		Community school Not a faith school	<u>Overall</u> 960 places No surplus places	Below NA 59% 5A*-C including English and	Outstanding Date of most recent Ofsted:	Minimal – The school only has one unfilled place and is rated outstanding therefore PBIV is unlikely to affect the long term viability of the school.

	1.2	Mixed 11-18 age range	<u>At entry point</u> 192 places 1 entry level place unfilled in 2012/13	maths	27/09/2012	
George Dixon Academy	1.8	Academy Converter Not a faith school Mixed 11-18 age range	<u>Overall</u> 1165 places Overall surplus of 258 places (22.1% of total school capacity) <u>At entry point</u> 190 places 23 entry level places unfilled in 2012/13	Well below NA 45% 5A*-C including English and maths	Good Date of most recent Ofsted: 16/01/2013	Moderate - As the attainment is below national average parents and pupils may be attracted to an alternative school. The school is located 1.8 miles away from the proposed free school site which is above the average travelling distance of 1.5 miles. As the school was undersubscribed for entry in 2012/13 and has a surplus of places of 22% the new free school may affect the long term financial viability of the school.
		Academy Converter	<u>Overall</u> 896 places	Well above NA 99% 5A*-C including	Outstanding Date of most recent	

King Edward VI Handsworth School	1.3	Christian faith Girls 11-18 age range	No surplus places <u>At entry point</u> 128 places No unfilled places at entry point	English and maths	Ofsted: 16/04/2008	Minimal – The school currently has no unfilled places and is rated outstanding therefore PBIV is unlikely to affect the long term viability of the school.
King Edward VI Aston School	1.8	Academy Converter Christian faith Boys 11-18 age range	<u>Overall</u> 801 places Overall surplus of 43 places (5.4% of total school capacity) <u>At entry point</u> 104 places No unfilled places at entry point	Well above NA 99% 5A*-C including English and maths	Outstanding Date of most recent Ofsted: 13/03/2008	Minimal – The school currently has no unfilled places at Y7 and is rated outstanding therefore PBIV is unlikely to affect the long term viability of the school.
Handsworth Grammar School		Voluntary aided Not a faith	<u>Overall</u> 810 places	Well above NA 92% 5A*-C	Good Date of	Minimal – The school currently has no unfilled places and is rated good therefore PBIV is unlikely to affect the

	1.6	school Boys 11-18 age range	No surplus places <u>At entry point</u> 130 places No unfilled places at entry point	including English and maths	most recent Ofsted: 06/02/2013	long term viability of the school.
Kajans Hospitality & Catering Studio College	1.8	Studio School Not a faith school Mixed 14-19 age range	No capacity data	No attainment data	Not yet inspected	Too early to assess - capacity and attainment data is not available. The UTC does not provide for pupils in key stage three.
Perry Beeches III	0.9	Free school Not a faith school Mixed 11-18 age range	<u>Overall</u> 620 places <u>At entry point</u> 100 places No unfilled places at entry point	No attainment data	Not yet inspected	Too early to assess - The proposer group is the same as Perry Beeches IV. As all Perry Beeches schools are oversubscribed the impact is likely to be minimal.

Table 2: Impact of free school on local colleges

College name	Distance from free school (Miles)	College type	Capacity	Attainment in 2010/11	Ofsted grade	Impact rating
South and City College Birmingham	1.4	General Further Education College	8659 learners 35.8% of learners are aged 16-18 This is a large college	Well below NA The average points score at level 3 in 2013 is 506.4	Good Date of most recent Ofsted: 12/02/2010	Minimal – As a ‘traditional’ academically-focused sixth-form provision the free school is unlikely to affect the long term financial viability of the college.
Joseph Chamberlain Sixth Form College	2.0	Sixth Form College (General)	1605 learners 100% of learners are aged 16-18 This is a medium-sized college	Below NA The average points score at level 3 in 2013 is 641.3	Requires improvement Date of most recent Ofsted: 12/02/2010	Moderate - As the attainment is below national average and Ofsted have judged the college as ‘requires improvement’, parents and pupils may be attracted to an alternative sixth form and the new free school may affect the long term financial viability of the college.
Bournville College of Further Education	6.8	General Further Education College	4629 learners 41.7% of learners are aged 16-18 This is a large college	Well below NA The average points score at level 3 in 2013 is 535.6	Satisfactory Date of most recent Ofsted: 21/01/2011	Minimal – As a ‘traditional’ academically-focused sixth-form provision and the travel distance involved, the free school is unlikely to affect the long term financial viability of the college.

Sandwell College	3.8	General Further Education College	4009 learners 51.1% of learners are aged 16-18 This is a large college	Well below NA The average points score at level 3 in 2013 is 434.3	Satisfactory Date of most recent Ofsted: 01/04/2011	Minimal – As a ‘traditional’ academically-focused sixth-form provision the free school is unlikely to affect the long term financial viability of the college.
Cadbury Sixth Form College	5.6	Sixth Form College (General)	1143 learners 100% of learners are aged 16-18 This is a medium-sized college	Average or close to NA The average points score at level 3 in 2013 is 704.3	Requires improvement Date of most recent Ofsted: 19/10/2012	Moderate – As Ofsted have judged the college as ‘requires improvement’, learners may be attracted to an alternative sixth-form provision although at 5.6 miles away it is well over the average travelling distance of 1.5 miles. The new free school may affect the long term financial viability.
Birmingham Metropolitan College	1.1	General Further Education College	13834 learners 44.1% of learners are aged 16-18 This is a large college	Well below NA The average points score at level 3 in 2013 is 506.4	Good Date of most recent Ofsted: 11/02/2011	Minimal – As a ‘traditional’ academically-focused sixth-form provision the free school is unlikely to affect the long term financial viability of the college.
Halesowen College	6.1	Tertiary College	5856 learners 68.6% of learners are aged 16-18	Well below NA The average points score at level 3 in 2013	Good Date of most recent Ofsted:	Minimal – As a ‘traditional’ academically-focused sixth-form provision and the travel distance involved the free school is unlikely to affect the long term financial viability of

			This is a large college	is 572.3	07/06/2013	the college.
Solihull College	7.3	General Further Education College	7335 learners 46.9% of learners are aged 16-18 This is a large college	Well below NA The average points score at level 3 in 2013 is 521.6	Good Date of most recent Ofsted: 14/05/2010	Minimal – As a ‘traditional’ academically-focused sixth-form provision and the travel distance involved, the free school is unlikely to affect the long term financial viability of the college.
Dudley College of Technology	7.4	General Further Education College	4861 learners 52.5% of learners are aged 16-18 This is a large college	Well below NA The average points score at level 3 in 2013 is 487.4	Good Date of most recent Ofsted: 01/03/2013	Minimal – As a ‘traditional’ academically-focused sixth-form provision and the travel distance involved, the free school is unlikely to affect the long term financial viability of the college.
Walsall College	7.8	General Further Education College	6359 learners 52.0% of learners are aged 16-18 This is a large college	Well below NA The average points score at level 3 in 2013 is 517.5	Outstanding Date of most recent Ofsted: 15/02/2013	Minimal – As a ‘traditional’ academically-focused sixth-form provision and the travel distance involved, the free school is unlikely to affect the long term financial viability of the college.
