

## Jane Austen College – Impact Assessment

The table below details the impact rating on FE colleges within a 15 mile radius of the Free School

College name	College type	Number of learners aged 16-18	Ofsted	Impact rating
Norwich City College of Further and Higher Education	General Further Education and Tertiary College	4423	Good	Moderate. The college is situated 1.0 miles from the Free School
Kett Sixth Form College	Sixth Form Centre	394	No Ofsted grade – not yet inspected.	Moderate. The college is situated 1.1 miles from the Free School
Sir Isaac Newton Sixth Form Free School	Free School 16-19		No Ofsted grade – opened September 2013	Too early to assess – opened Sept 2013. The college is situated 0.4 miles from the Free School. However, the trust (same for this and the new free school) do not believe it will be an issue due to plans for the joint sixth form.....

## Annex B: Impact Assessment

The table below details the impact rating on schools within a five mile radius of the Free School. All are 11-18 schools.

School name	School type	Capacity	Percentage of 16-18 year old pupils achieving 5 A*-C Including English and Maths 2012/13	Ofsted grade	Impact rating
Notre Dame High School	Voluntary Aided School	1378 school places Overall surplus of 7 school places (0.5% of total school capacity)	62% Above average	Outstanding	Minimal - The Free School is unlikely to affect the long term viability of the school.
Sewell Park College	Community School	1197 school places Overall surplus of 335 school places (28.0% of total school capacity)	33% Well below average	Requires improvement	High - The school is located less than the average distance travelled to a Secondary school in Norfolk (1.1 miles). It is therefore, more likely to lose pupils to the new school than other schools. It also has below average attainment with an Ofsted rating – requires improvement, so parents may be attracted to an alternative.
The Hewett School	Foundation School	1445 school places Overall surplus of 563 school places (39.0% of total school capacity)	43% Well below average	Good	Moderate – The school may lose pupils due to the Good below average attainment, so parents may be attracted to an alternative.
City of Norwich School	Community School	1730 school places Overall surplus of 31 school places (1.8% of total school capacity)	58% Below Average	Requires improvement	Minimal – The Free School is located less than the average distance travelled to a secondary school (1.5 miles). Due to the below average attainment and the Ofsted grade is unlikely to affect the long term viability of the school so parents may be attracted to an alternative.
The Open	Academy	900 school places	34%	Requires	High - The school is located less than the

Academy	Sponsor Led	Overall surplus of 366 school places (40.7% of total school capacity)	Well below average	improvement	average distance travelled to a Secondary school in Norfolk (1.8 miles). It is therefore, more likely to lose pupils to the new school than other schools. It also has below average attainment with an Ofsted rating – requires improvement, so parents may be attracted to an alternative.
