PART A

3. General

- 3.1 Part A of these Arrangements applies to all cases which may be considered for classification as VHCCs on or after 1st April 2013
- 3.2 Organisations and self-employed Advocates who wish to undertake VHCC Work or organisations who wish to undertake ICC Work must meet the requirements set out in Part A of these Arrangements.
- 3.3 There is a separate set of arrangements formally establishing the VHCC Appeals Panel which can be found on our website.

4. Notification

- 4.1 Organisations must notify us in writing of a potential VHCC as soon as it appears that the case will be, or is likely to be, a VHCC. If it does, or if the organisation is in any doubt, the organisation must notify us within five Business Days of:
- (a) the earliest hearing at which the court sets a trial estimate; or
 - (b) the organisation identifying that the case will be or is likely to be a VHCC; or
 - (c) Receipt of a VHCC Notification Request Form 2013 sent to you by us.
- 4.2 If the requirements in paragraph 4.1 of these Arrangements are not met, and we are likely to or will suffer financial loss as a result, we may, in discharging our functions under the Act:
- (a) impose any sanction on the organisation in accordance with any other Legal Aid agreement or contract;
 - (b) exclude the organisation from undertaking VHCC Work or ICC Work on the case that they failed to notify;
 - (c) where they persistently breach paragraph 4.1, exclude the organisation from undertaking future VHCC Work and/or ICC Work;

- 4.3 Organisations must notify us by submitting a VHCC Notification Request Form 2013. A template VHCC Notification Request Form 2013 is available on our website.

5. Classification

- 5.1 Upon receipt of a notification, we will decide whether the case falls within the definition of a VHCC and, therefore, whether it can be conducted under the terms of a 2013 VHCC Contract or 2013 ICC Contract.

Very High Cost (Crime) Cases Arrangements 2013

- 5.2 When making our decision, we will consider the VHCC Notification Request Form 2013 submitted by the organisation and any other relevant information it may hold at that time.
- 5.3 For the purposes of classification only, a case means proceedings against all Clients named on an indictment unless exceptional circumstances apply, which make it unsuitable to be dealt with under the contractual arrangements for VHCCs.
- 5.4 A case will be deemed to be a VHCC where: -

In relation to organisations:

- (a) if the case were to proceed to trial, the trial would in our opinion be likely to last for more than 40 days, and we consider that there are no exceptional circumstances which make it unsuitable to be dealt with under its contractual arrangements for VHCCs; or
- (b) if the case were to proceed to trial, the trial would in our opinion be likely to last no fewer than 25 and no more than 40 days inclusive, and we consider that there are circumstances which make it suitable to be dealt with under its contractual arrangements for VHCCs and:
- (i) the case is prosecuted by the Serious Fraud Office; or
- (ii) the case is a Terrorism Case.

We reserve the right to classify a case as a VHCC in circumstances outlined in 5.4 (b) where we consider that exceptional circumstances apply and it is necessary to discharge our functions under the Act.

In relation to Advocates:

If the case were to proceed to trial, the trial would in our opinion be likely to last for more than 60 days, and we consider that there are no exceptional circumstances which make it unsuitable to be dealt with under a 2013 VHCC Contract (for self-employed Advocates).

- 5.5 Where the case satisfies the definition of a VHCC for organisations, we will issue a VHCC Decision Letter. Where the case satisfies the requirements as outlined in Part B of these Arrangements, we will issue a 2013 VHCC Contract (for organisations) or where the case satisfies the requirements as outlined in Part C of these Arrangements, we will issue a 2013 ICC Contract (for organisations).
- 5.6 Where the case satisfies the definition of a VHCC for Advocates, and a self-employed Advocate has been instructed, we will issue a VHCC Decision Letter and a 2013 VHCC Contract (for self-employed Advocates) to the self-employed Advocate.
- 5.7 Subject to the completion of any appeal or review against a classification, once a case has been classified as a VHCC, the presumption will be that it will remain so until the conclusion of proceedings, and we shall be under no obligation to review the Case's classification. In exceptional circumstances and where there is new information and a change in circumstances, which could make it unreasonable for the Case to remain a VHCC, we may consider declassification.

PART B

- 6.1 Part B of these Arrangements outlines the process that needs to be followed Pre-Contract for cases described at paragraph 1.4 above
