

Email S Wales to Home Office 27/05/14 12:25

<redacted>

It's been brought to my attention that South Wales has received several letters of the type attached. I'm told that many other forces are receiving similar letters.

Is this a matter that the Home Office would consider providing advice on, otherwise we risk different treatment of pensioners across England and Wales? Is the Home Office planning to amend the regulations to make ESA deductible and, if so, what are the likely timescales?

Regards,
