Date: 7th February 2014

To The Company Director and/or Secretary,

Your permit surrender is complete.

Permit reference: EPR/GP3233LF/S003

Operator: Synthomer Ltd

Facility: 2 George Street, Batley, West Yorkshire, WF17 5AU

I'm pleased to confirm that our determination of your application to surrender your permit is complete. We're satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility, and to return the site of the regulated facility to a satisfactory state, having regard to the state of the site before the facility was put into operation. We therefore accept the surrender. The surrender takes effect from the date of this letter.

If you're entitled to a refund of previously paid subsistence fees our Finance department will arrange this.

If you want to carry out any activities that need an environmental permit you must apply for a new one. If you have any questions about permitting please phone our Customer Contact Centre on 03708 506 506. They will put you in touch with a local area officer.

Yours sincerely,

Chris Morris
Permitting Team Leader
