### Introductory note

#### **This introductory note does not form a part of the notice**

The following notice gives notice of the surrender in part of an environmental permit.

This part surrender permit authorises the reduction of the installation boundary as defined within schedule 4 of this notice. A section of land previous included within the original permit is surrendered. This land has never been used as part of the intensive farm listed activity.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
