

# Crop Inspection Report for Field beans and Field peas P

Applicant's name	<input type="text"/>	Crop identity number	<input type="text"/>
Grower's name	<input type="text"/>	Species	<input type="text"/>
Tel. No. (including national dialling code)	<input type="text"/>	Variety	<input type="text"/>
Mobile No.	<input type="text"/>	Category entered to produce	<input type="text"/>
Address of crop	<input type="text"/>		
<input type="text"/>	<input type="text"/>		
Postcode	<input type="text"/>		
	Area of crop	<input type="text"/> ha	
	Date of sowing	<input type="text"/>	

Reference number(s) of seed sown	Label number(s)	Labels seen at
<input type="text"/>	<input type="text"/>	Farm
		Field

Previous cropping:		IACS No./Field name	<input type="text"/>
Last year	Year previous	Grid ref.	<input type="text"/>
<input type="text"/>	<input type="text"/>		

Reasons for rejection at category/level entered and any other comments regarding the crop

I confirm that at the time of inspection the crop has been found to satisfy or not the appropriate conditions laid down in the Seed Marketing Regulations for the categories indicated below.

**Inspector's decision.** Please indicate by:

- ✓ = satisfies the appropriate conditions
- X = does not satisfy the appropriate conditions

Complete all appropriate boxes
