

Grant aided tracking device installation and activation form (VMS 4B)

This form is to be used to confirm installation of the appropriate device has taken place and is functioning effectively.

This form is to be completed by the installation engineer upon device installation and activation (having confirmed with the UK Fisheries Monitoring Centre that the device is transmitting reports). This form must be signed and completed before submitting it to the appropriate UK FMC (see details at Annex A). Failure to complete all sections may result in the form being rejected and returned.
